THE HOT AND COLD SEA WATER BATHS In all private bathrooms (of which there are over 400), besides being most delightful and in-vigorating, have great therapeutic value. The water is pumped directly out of the ocean and contains all its curative agents for rheumatic and other troubles.

THE PURE CRYSTAL WATER

From our private artesian wells, 850 feet deep, and flowing 200 gallons per minute (pure and free from possibility of contamination), is used throughout the house for drinking and lee-making, and all other purposes. THE ROLLING CHAIRS

And Attantic City's famous seven-mile Boardwalk along the ocean's brink afford an outdoor recreation for old and young, sick and strong, in both clear and stormy weather, unequaled elsewhere in the world. Fine streets and good roads make good motoring and horseback riding, and the finest all-year links in America makes golf a pleasure at all times. The theatres and plers are in full operation.
